Experience

Software Engineer · Full Stack (Vue.js / .NET) · Ria Money Transfer Dec 2025 – Present
Santiago · Hybrid

- Shipped Vue.js and .NET features in production serving 10,000+ users daily across international money transfers.
- Implemented MSW mocks and TypeScript to simulate complete E2E flows, cutting iteration cycles significantly.
- Introduced Claude Code with custom hooks and skills, establishing AI-assisted development best practices for the team.

Frontend Developer · Vue.js / PWA · Andes Jun 2024 – Jul 2025
Remote · California

- Built and maintained a Vue PWA with 5,000+ monthly active users and full Android/iOS support.
- Configured CI/CD on Bitbucket and AWS CodePipeline with Cypress E2E tests, achieving 80%+ coverage.
- Automated PR review and changelog generation via AI agent, eliminating manual overhead from the release cycle.

Team Lead · Full Stack (Svelte / FastAPI / AWS) · Niuro Jan 2024 – Jun 2024
Remote · Santiago

- Led 4 engineers across sprint planning and delivery of a medical order management platform (LymphaPress).
- Deployed FastAPI services on AWS Lambda; serverless architecture cut infra costs while maintaining fault tolerance.

Software Engineer Intern · .NET / Angular / Azure · IBM Jul 2023 – Jan 2024
Santiago · Hybrid

- Modernized two critical insurance apps during a CORE database migration (IBM Blue Journey) with zero downtime.
- Built BFF microservices in .NET Core with Angular frontends via REST; configured CI/CD in Azure DevOps.

Backend Developer · Kwiyx Apr 2021 – Jul 2022
Santiago · Hybrid

- Built REST APIs (TypeScript, Express, Django) for a construction marketplace; deployed serverless on AWS Lambda + S3.

Software Developer · dsy Jan 2020 – Apr 2021
Santiago · Hybrid

- Developed full-stack web apps with Symfony and Angular, owning backend APIs and frontend UI end-to-end.

Skills

Languages TypeScript, Python, C#, SQL
Frontend Vue.js, Svelte, Angular, PWA
Backend .NET, FastAPI, Express, Node.js
Infra AWS (Lambda, S3, CodePipeline), Azure DevOps, Docker, CI/CD
Spoken Spanish (native) · English C2 (EF SET 78/100) · Portuguese (basic) · Russian (basic)

Certifications & Recognition

Claude Code in Action · Anthropic (May 2026) · **Introduction to Agent Skills** · Anthropic (Mar 2026) · **EF SET C2 Proficient** 78/100 (Aug 2025)

1st Place · DefHacks Santiago (2019) · **Outstanding Student** · Universidad de Chile (2023) · **Platanus Build Night** · Top 20 of 100+ developers (Apr 2025) · **EducationUSA Academy Scholar** · U.S. Embassy

Education

B.Sc. Computer Engineering — Universidad de Chile 2020 – 2025
